Dear Alachua County Board of County Commissioners:

On January 24, 2024, the Florida Emergency Communications Board voted to disburse funding for the Florida NENA 2024 Spring Conference meeting and training sessions based on the county 911 coordinator attendance sign-in at the meeting or trainings. It is with great pleasure that the board sends the enclosed check, which represents this special disbursement for your county representation at the Florida NENA 2024 Spring Conference meeting and training sessions. These funds shall be used solely to pay recurring and non-recurring costs of providing emergency communications and 911 service, as provided by subsection 365.172(10), Florida Statutes.

<b>Special Training Disbursement</b>	<b>\$1,200.00</b>
--------------------------------------	-------------------

Separate accounting should be established for the receipt and expenditure of all 911 fee revenues based.

If you have questions about this disbursement or other issues related to the Florida Emergency Communications Board, please call Leon Simmonds at (850) 921-0041.

Sincerely,

DocuSigned by:
